Greetings everyone,

I hope you've been able to enjoy the sunshine we've been having.

Our next membership meeting will be Thursday, May 9th at the Sumner Senior Center (15506 62nd St Ct E Sumner 98390) at 10am. Elections were held at the April meeting. President Bob Bandarra, Treasurer Ken Williams, Executive Board Member Diane Rauschenberg. For those elected and members interested in future leadership or learning about the structure of RPEC, Leadership Training will be held on Monday, June 10th from 10am-3pm. This is a two-part training. The link to register is <https://2024.rpecwa.org/2024-leadership-training/>. The registration deadline is May 17th. AFSCME Financial Standards Training is on Friday, June 14th from 10am-1pm. All electeds are encouraged to register themselves and attend.

SAVE THE DATE! Our District meeting is scheduled for Thursday, June 20th at Tower Lanes Entertainment Center (6323 6th Avenue Tacoma 98406) in the banquet room. Doors open at noon. Lunch will be served. Laurie Weidner, our Executive Director, will be our first speaker. Legislators from all over our District have been invited and many have agreed to speak and answer questions. In order to ensure we have enough food; I'm asking everyone to text me at (253) 985-3280 to let me know you'll be there. Last year was very successful and members from all three chapters asked to do it again.

We are celebrating the one-time COLA that Plan 1 members have gained in this past legislative session and we are planning to work hard for the permanent ongoing COLA we hope to achieve in the upcoming session.

We were also successful in gaining a waiver of healthcare premiums in the month of death for those whose healthcare is insured through the Public Employees Benefits Board (PEBB). Previously, the Department of Retirement Services (DRS) was required to claw back any pension monies provided past the date of death. This action resulted in the healthcare premium not being paid when the individual did not receive an adequate prorated pension amount. Therefore, the family could receive a bill for medical services received by the previously insured. DRS is still required to claw back monies but will see that the healthcare premium is waived so that the member retains healthcare coverage in their final month of life. The pension money is only paid up to the date of death. If you insure a spouse or family member through PEBB, please make sure they know that they must pay the healthcare premium for themselves if that premium is coming out of your pension check.

Federal Advocacy

Call to action on The Fiscal Commission Act of 2023: If you have not already done so, please join your fellow RPEC members and AFSCME Retiree chapters nationwide in urging Congress to oppose The Fiscal Commission Act of 2023 (H.R. 5779). If this legislation is approved, your federal benefits will be at risk. [The Fiscal Commission Act of 2023 \(H.R. 5779\)](#) will create a 16-member fiscal commission to search for ways to reduce the national deficit and balance the national budget. Funding for Social Security and Medicare will be targeted for cuts. **Call 844-331-0441 today! Tell Congress to vote NO on this bill and similar proposals calling for fiscal commissions that aim to reduce your hard-earned retirement benefits.** A detailed [position paper](#) about the proposed debt commission is available at <https://retiredamericans.org>.

Public Employees Benefits Board (PEBB) To Vote on Potential New Pharmacy Benefit, April 11

On April 11, the PEB Board will act on a resolution that will change the pharmacy benefit for Uniform Medical Plan (UMP) Classic Medicare. RPEC's Legislative Committee supports this change, as it will lower monthly premiums for most plan subscribers. The medical benefits in the plan will remain unchanged. The new pharmacy benefit will continue to be administered by Moda to provide continuity of service and care for retirees. By making this plan more affordable, the new benefit, if adopted at the April PEB Board meeting, will help to ensure that an employer-managed plan remains in the mix of healthcare plan options available to public sector retirees. Currently, all but two plans are privatized. Preserving traditional Medicare continues to be a key federal priority for RPEC, in addition to preserving these options for the public sector retirees in Washington. Members are encouraged to attend the April 11 meeting and offer comments during the Public Comment period. Visit www.hca.wa.gov for more details.

State Advocacy

Beginning this month, the Legislative Update Calls will be held monthly, the first Friday of each month. Please join us on April 5 from 2-3 p.m. Details are available at www.rpecwa.org.
