

Retired Public Employees Council of Washington

MEMORANDUM

TO: RPEC OFFICERS
FROM: KANDY KRAIG, PRESIDENT
DATE: APRIL 12, 2018
RE: 2018 LEADERSHIP CONFERENCE

Now that elections are being completed in your Chapters, we are holding a Leadership Conference on May 21st from 10-4 with a Treasurer's Training taking place prior to it from 9-10 am. We are inviting potential leaders as well as those currently holding office. The Leadership Conference will include a discussion on the legislative efforts impacting RPEC members, messaging on our issues, political activities, and customizing the roles and responsibilities within the organization.

Our priorities are the protection of pensions, health care, Social Security and Medicare. As you know these continue to be under attack. As an organization of 10,000 and growing, we have a powerful voice if we act collectively. We therefore need the input from all Chapter leaders and those interested in becoming leaders to strengthen this organization as attacks continue.
