2020 FEDERAL PRIORITIES

STRENGTHEN SOCIAL SECURITY & SCRAP THE CAP

RPEC will support the strengthening of Social Security and urge our members of Congress to protect it against privatization. Pass legislation that eliminates the contribution cap to Social Security (\$132,900 in 2019) and adopt CPI-E for COLA calculations.

PROTECT & EXPAND SOCIAL SECURITY, MEDICARE & MEDICAID

RPEC supports the protection and expansion of Social Security, Medicare and Medicaid, and urge our members of Congress to also support the protection and expansion of Social Security, Medicare and Medicaid.

SUPPORT ACA REPAIRS AND IMPROVEMENTS

RPEC will support repairs and improvements to the American Care Act (ACA) and urges our members of Congress to oppose efforts to repeal and replace with legislation that harms seniors and low-income families.

RPEC opposes any legislation that weakens or diminishes Social Security, Medicare and Medicaid benefits to older Americans and encourages our members of Congress to protect these programs against destructive budget cuts, privatization and/or voucherization.

ELIMINATION OF THE WEP/GPO

Increase support of legislation repealing this unjust denial of accumulated Social Security benefits for public employees impacted.
